Welcoming Elegance in Saratoga Style

An 1870 Second Empire brick hotel located in the heart of the historic downtown district, Saratoga Arms is opposite the City Center and within easy walking distance of shopping, restaurants, museums, colleges and cultural activities.

Saratoga's award winning hotel features custom décor, period pieces and family treasures all designed to carry on the elegant style of Saratoga tradition. A collection of antique wicker invites you to gather on the wrap around porch looking out on Broadway.

Saratoga Arms is ideal for business and leisure travelers. The executive conference room and meeting spaces are perfect for company retreats, board and committee meetings, or training sessions.
